### Warranty of supplied materials

On behalf of ATECPOOL ESPANA; we, A-Technologies FZCO hereby warrants the good condition of equipment for a Period mentioned- there in from the date of Delivery note.

### 1. Scope of Warranty

#### 1.1 Period.

The period of all warranties mentioned herein shall commence from the date of delivery, which is to be understood specifically to be Day-Month-Year.

Failures of the product under any of the above terms during the applicable warranty period shall, subject to the exclusions noted below, result in ATECPOOL ESPANA providing satisfactory repair or replacement of the product or part of the product as appropriate, entirely at ATECPOOL ESPANA cost. The option to repair or replace remains entirely at the discretion of ATECPOOL ESPANA. Where ATECPOOL ESPANA at it's sole discretion deems replacement to be appropriate, ATECPOOL ESPANA retains the option to replace with an equivalent item if no exact replacement is readily available.

This warranty is applicable provided the "Sales" terms and conditions have been fully adhered to by the client, including but not limited to settlement of all payments. The Warranty is considered to be null and void if the full value of the outstanding payment/s is not received. Remedial works will not be provided under warranty where there are outstanding sums due.

This warranty is given subject to the laws of the United Arab Emirates and the Emirate of Dubai
